Spotlight on Billing & EFT Payments!

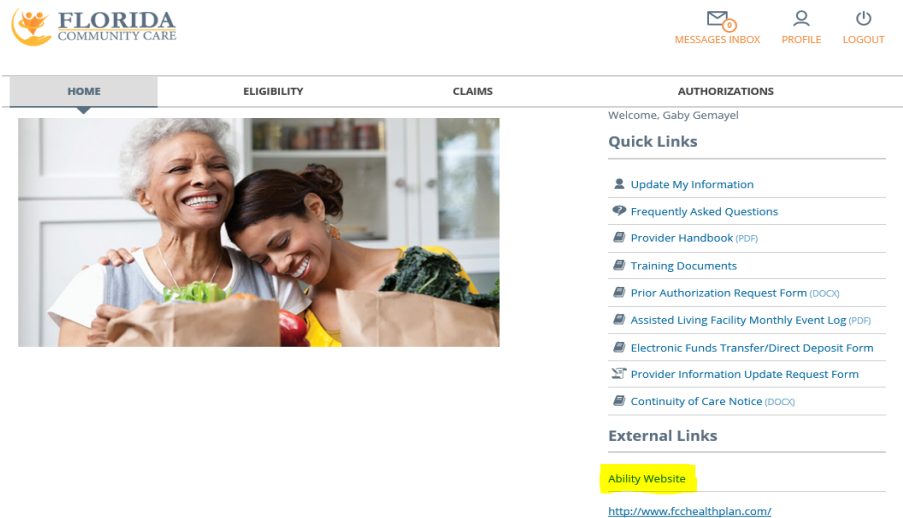

Billing Florida Community Care:

The fastest and safest way to submit your medical claims to Florida Community Care (FCC) is to use electronic submission. You have two ways to submit claims electronically to us: through either **Availity** or **Ability**. All you need to do on either service site is find FCC's Payer ID **FLCCR** or look for Florida Community Care in the Payer Drop Down field.

If you need to set up an account with **Availity**, please register at www.availity.com.

If you need to set up an account with **Ability**, you can do so by logging into the FCC Portal and clicking on the **Ability** Link:

You can also call the **Ability** Enrollment Department at 1-800-548-2890 to enroll.

Electronic Funds Transfer:

As part of our Payment Process, FCC gives you the ability to receive your payments faster through Electronic Funds Transfer (EFT). It is easy to enroll in EFT with us. Simply complete the attached EFT Form and attach a W9 and a copy of a Voided Check or Bank Letter. You can email this information to Laura Montano at lmontano@fcchealthplan.com so we can process your enrollment. Please allow 30 days for the request to be processed.

If you have any additional questions, call Florida Community Care at 1-833-322-7526.
