

Quick Reference Guide for DME Billing:

Florida Community Care (FCC) uses a DME Formulary for services that have been authorized to DME Providers servicing FCC members. To view the Formulary (including our *MMA/LTC and our **LTC only procedure codes & description of services) covered by our plan, please go to FCC's website at www.fcchealthplan.com and reference the "For Providers" section of the website; specifically, the **DME Resources** subsection.

FCC allows our DME providers to submit claims, using standard HCFA/CMS 1500 Form via paper or electronically as described below.
