Florida Medicaid Health Care Alert
November 04, 2022

Provider Type(s): ALL

NPI – Do You Know Alert Series #4 of 9: Organizational Entity Types

Do you know what organizational entity types <u>are not</u> required to have a unique NPI for each of their locations?

- The following **Organizational/Group Providers and Medicaid Health Plans (NPI Type 2)** entity types <u>WILL NOT</u> be required to apply unique NPIs to their current and future Medicaid ID's new location codes.

Nurse Practitioner Group	Home Health Services (Unlicensed Personal Care Groups Only)	Physician Assistant Group
Therapist Group	Dental Group	Physician, M.D. or D.O. Group
Audiologist or Hearing Aid Specialist Group	Federally Qualified Health Center	Podiatry Group
Behavior Analysis Group	Specialized Therapeutic Services Group	Rural Health Clinic
Chiropractor Group	Home and Community-Based Services	Community Behavioral Health Services
Pharmacy/DME	Optician or Optometry Group	

Do you know what organizational entity types <u>are</u> required to have a unique NPI for each of their locations?

- Organizational (Entity Type 2) providers that are not listed in the entity type groups defined above, will be required to have a unique NPI for each service location.

NOTE: Provider's entity type in NPPES (National Plan and Provider Enumeration System) must match the Provider Entity Type on the provider's Medicaid record.
