Welcome to Florida Community Care's Statewide Medicaid Managed Care Intellectual and Developmental Disabilities Plan

Florida Community Care has a contract with the Florida Agency for Health Care Administration (Agency) to provide health care services to people with Medicaid. This is called the **Statewide Medicaid Managed Care (SMMC) Program**. You are enrolled in our SMMC plan for people with intellectual or developmental disabilities. This means we will offer you Medicaid services. We work with a group of health care providers to help meet your needs.

If you are eighteen years old or older with intellectual or developmental disabilities, you can receive home and community-based services in the **Intellectual and Developmental Disabilities Managed Care Pilot Program**. This handbook will be your guide for all health care services available to you. You can ask us any questions or get help making appointments. If you need to speak with us, just call us at 1-833-FCC-PLAN.

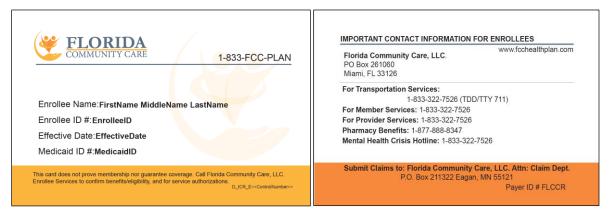

Section 1: Your Plan Identification Card (ID card)

You should have received your ID card in the mail. Call us if you have not received your card or if the information on your card is wrong.

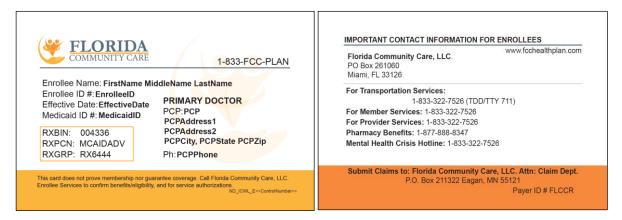

Always carry your ID card and show it each time you go to a health care appointment or the hospital. Never give your ID card to anyone else to use. If your card is lost or stolen, call us so we can give you a new card.

For members with Medicare cover, your ID card will look like this:

NOTE: You will notice there is no PCP listed on your card. You will continue to see the PCP and any other doctors you are currently seeing under your Medicare benefits.

For members without Medicare coverage, your ID card will look like this:

Section 2: Your Privacy

Your privacy is important to us. You have rights when it comes to protecting your health information, such as your name, Plan identification number, race, ethnicity, and other things that identify you. We will not share any health information about you that is not allowed by law.

If you have any questions, call Member Services. Our privacy policies and protections are:

Our Responsibilities

Florida Community Care, LLC by law must keep your health information safe and private. We must tell you about our legal duties and privacy practices related to your health information. We must follow the terms of this notice.

Here are some examples of how we will use your information without your permission:

• For treatment Example: to arrange for referrals with a specialist

• To run our operations Example: to develop better services for you

• For payment Example: to pay your doctor

• If required or allowed by law for these reasons:

- for help with public health and safety issues. Example: to report suspected abuse, neglect, or domestic violence
- to send you appointment reminders, or about treatment alternatives, or health-related benefits and services that may be of interest to you if you have not opted out
- research purposes
- o to respond to an organ donation request
- o to work with a medical examiner or funeral director.
- o to address worker's compensation claims
- law enforcement, and other government requests.
- o to respond to lawsuits, court orders and legal actions.
- o when a business associate performs certain functions on your behalf, such as payment.
- o to any person involved in your care. Example: a family member in an emergency. If you cannot object, we may decide if giving the information is in your best interests.

We may also use and share your health information with you or your authorized representative's written permission when:

- o using or sharing psychotherapy notes as allowed by law, or
- o in the release to third parties, or
- o for certain marketing communications.

Please note that you may take away our permission at any time in writing, except if we have already acted.

What are your Rights?

You have the right:

- To ask for a copy of your health and claim records.
 - We may charge a reasonable fee. You can name someone else to receive your records.
- To inspect and correct health and claims records.

If they are incorrect or incomplete. We may deny your request and will explain in writing.

• To request confidential communications.

For example: to receive mail at a different address. We will accept valid requests. Tell us if you fear that contacts about your health information where you are now would put you in danger.

 To limit what we use or share for treatment, payment, or our operations or to others.

We may deny your request.

- To a list of those with whom we have shared your information for six years prior to the date you ask except for:
 - o treatment, payment, and health care operations;
 - o prior disclosures;
 - sharing done with your agreement;
 - o uses for disclosures authorized or required by law.

We will charge a reasonable fee if you ask for a list more than once in a period of 12 months. You need to make this request in writing.

- To choose someone to act for you to exercise your rights and make choices

 By a medical power of attorney or legal guardian. We will verify this authority before we take any action.
- To be notified of any breach of unsecured medical information
 Unless we determine that there is a low probability that your medical information has been compromised.

Exercising your Rights

Contacting FCC

If you have any questions, or if you believe that your privacy rights have been violated, you may contact us at:

Florida Community Care, LLC Privacy Officer 4601 NW 77th Avenue Miami, FL 33166

Tel: 1 (833) 322-7526

Compliance@fcchealthplan.com

You may also submit a complaint to the Office of Civil Rights, call us to provider you with the information of the Office of Civil Rights in your region.

You will not be retaliated against for filing a complaint.

Section 3: Getting Help from Our Member Services

Our Member Services Department can answer all your questions. We can help you choose or change your Primary Care Provider (PCP for short), find out if a service is covered, get referrals, find a provider, replace a lost ID card, report the birth of a new baby, and explain any changes that might affect you or your family's benefits.

Contacting Member Services

You may call us at 1-833-FCC-PLAN or <TTY:711 Monday to Friday, 8 a.m. to 8 p.m., but not on State approved holidays (like Christmas Day and Thanksgiving Day). When you call, make sure you have your identification card (ID card) with you so we can help you. (If you lose your ID card, or if it is stolen, call Member Services.)

Contacting Member Services after Hours

If you call when we are closed, please leave a message. We will call you back the next business day. If you have an urgent question, you may call our on-call services at 1-833-FCC-PLAN. Our nurses are available to help you 24 hours a day, 7 days a week.

Section 4: Do You Need Help Communicating?

If you do not speak English, we can help. We have people who help us talk to you in your language. We provide this help for free.

If you use a wheelchair, or are blind, or have trouble hearing or understanding, call us if you need extra help. We can tell you if a provider's office is wheelchair accessible or has devices for communication. Also, we have services like:

- Telecommunications Relay Service. This helps people who have trouble hearing or talking to make phone calls. Call 711 and give them our Member Services phone number. It is 1-833-FCC-PLAN (1-833-322-7526). They will connect you to us.
- Information and materials in large print, audio (sound); and braille
- Help in making or getting to appointments
- Names and addresses of providers who specialize in your disability

All of these services are provided free to you.

Section 5: When Your Information Changes

If any of your personal information changes, let us know as soon as possible. You can do so by calling Member Services. We need to be able to reach you about your health care needs.

The Department of Children and Families (DCF) needs to know when your name, address, county, or telephone number changes as well. Call DCF toll free at 1-866-762-2237 (TTY 1-800-955-8771) Monday through Friday from 8 a.m. to 5:30 p.m. You can also go online and make the changes in your Automated Community Connection to Economic Self Sufficiency (ACCESS) account at https://dcf-access.dcf.state.fl.us/access/index.do. If you receive Supplemental Security Income (SSI), you must also contact the Social Security Administration (SSA) to report changes. Call SSA toll free at 1-800-772-1213 (TTY 1-800-325-0778), Monday through Friday from 7 a.m. to 7 p.m. You may also contact your local Social Security office or go online and make changes in your Social Security account at https://secure.ssa.gov/RIL/SiView.do.

Section 6: Your Medicaid Eligibility

You must be covered by Medicaid and enrolled in our plan for Florida Community Care to pay for your health care services and health care appointments. This is called having **Medicaid eligibility**. If you receive SSI, you qualify for Medicaid. If you do not receive SSI, you must apply for Medicaid with DCF.

Sometimes things in your life might change, and these changes can affect whether you can still have Medicaid. It is very important to make sure that you have Medicaid before you go to any appointments. Just because you have a Plan ID Card does not mean you still have Medicaid. Do not worry! If you think your Medicaid has changed or if you have any questions about your Medicaid, call Member Services. We can help you check on your coverage.

If you Lose your Medicaid Eligibility

If you lose your Medicaid and get it back within 180 days, you will be enrolled back into our plan.

If you have Medicare

If you have Medicare, continue to use your Medicare ID card when you need medical services (like going to the doctor or the hospital), but also give the provider your Medicaid Plan ID card too.

Section 7: Enrollment in Our Plan

Initial Enrollment

After your initial enrollment into this health plan, you can request to change to another MMA health plan or go back to fee for service Medicaid at any time. If you want to have home and community-based services like iBudget, you need to stay in this plan.

Home and community-based services help people stay in their homes, with services like help with bathing, dressing, and eating; help with chores; help with shopping; or supervision.

If you have questions about your medical services, home and community-based services or which program you are in, call Member Services. We can help you.

Section 8: Leaving Our Plan (Disenrollment)

Leaving a plan is called **disenrolling**, if you want to disenroll from the plan, call the State's Enrollment Broker at 1-877-711-3662. If you have been in this program for 12

consecutive months and want to enroll in the iBudget waiver, you can call the State's Enrollment Broker at 1-877-711-3662 to let them know.

If you have any questions about whether you can change plans, call Member Services 1-833-FCC-PLAN or the State's Enrollment Broker at 1-877-711-3662 (TDD 1-866-467-4970).

Removal from Our Plan (Involuntary Disenrollment)

The Agency can remove you from our plan (and sometimes the SMMC program entirely) for certain reasons. This is called **involuntary disenrollment**. These reasons include:

- You lose your Medicaid
- You move outside of where we operate, or outside the State of Florida
- You knowingly use your Plan ID card incorrectly or let someone else use your Plan ID card
- You fake or forge prescriptions
- You or your caregivers behave in a way that makes it hard for us to provide you with care
- You are in the plan and live in an assisted living facility, adult family care home or group home that is not home-like and you will not move into a facility that is home-like¹

If the Agency removes you from our plan because you broke the law or for your behavior, you cannot come back to the SMMC program.

Section 9: Managing Your Care

If you are in the plan, you must have a Care Coordinator. We will assign you a Care Coordinator. Your Care Coordinator is your go-to person and is responsible for **coordinating your care**. This means they are the person who will help you figure out what home and community-based services you need and how to get them.

If you have a problem with your care, or something in your life changes, let your Care Coordinator know and they will help you decide if your services need to change to better support you.

¹ This is for enrollees only. If you have questions about your facility's compliance with this federal requirement, please call Member Services or your Care Coordinator.

Changing Care Coordinator

If you want to choose a different Care Coordinator, call Member Services. There may be times when we will have to change your Care Coordinator. If we need to do this, we will send a letter to let you know and we may give you a call.

Important Things to Tell Your Care Coordinator

If something changes in your life or you don't like a service or provider, let your Care Coordinator know. You should tell your Care Coordinator if:

- You don't like a service
- · You have concerns about a service provider
- Your services aren't right
- You get new health insurance
- You go to the hospital or emergency room
- Your caregiver can't help you anymore
- Your living situation changes
- Your name, telephone number, address, or county changes
- Your goals and preferences for how you live change

Request to Put Your Services on Hold

If something changes in your life and you need to stop your service(s) for a while, let your Care Coordinator know. Your Care Coordinator will ask you to fill out and sign a Consent for Voluntary Suspension Form to put your service(s) on hold.

Section 10: Accessing Services

Before you get a service or go to a health care appointment, we have to make sure you need the service and that it is medically right for you. This is called **prior authorization**. To do this, we look at your medical history and information from your doctor or other health care providers. Then we will decide if that service can help you. We use rules from the Agency to make these decisions.

Providers in Our Plan

For the most part, you must use doctors, hospitals, and other health care providers that are in our **provider network**. Our provider network is the group of doctors, therapists, hospitals, facilities, health care providers, and home and community-based services providers that we work with. You can choose from any provider in our provider network.

This is called your **freedom of choice**. If you use a health care or home and community-based services provider that is not in our network, you may have to pay for that appointment or service.

You will find a list of providers that are in our network in our provider directory. If you want a copy of the provider directory, call 1-833-FCC-PLAN to get a copy or visit our website at www.fcchealthplan.com.

Your Care Coordinator is the person who will help you choose a service provider who is in our network for each of your services. Once you choose a service provider, the Care Coordinator will contact them to begin your services. This is how services are **approved** in the plan. Your Care Coordinator will work with you, your family, your caregivers, your doctors, and other providers to make sure that your services work with your medical care and other parts of your life.

Providers Not in Our Plan

There are some services that you may be able to get from providers who are not in our provider network. These services are:

- Family planning services and supplies
- Women's preventative health services, such as breast exams, screenings for cervical cancer, and prenatal care
- Treatment of sexually transmitted diseases
- Emergency care

If we cannot find a provider in our provider network for these services, we will help you find another provider that is not in our network. Remember to check with us first before you use a provider that is not in our provider network. If you have questions, call Member Services.

When We Pay for Your Dental Services

Your dental plan will cover most of your dental services, but some services may be covered by Florida Community Care. The table below will help you understand which plan pays for a service.

| Type of Dental Service(s): | Dental Plan Covers: | Medical Plan Covers: |
|---|---|---|
| Dental Services | Covered when you see your dentist or dental hygienist | Covered when you see your doctor or nurse |
| Scheduled dental services in a hospital or surgery center | Covered for dental services by your dentist | Covered for doctors, nurses, hospitals, and surgery centers |

| Type of Dental Service(s): | Dental Plan Covers: | Medical Plan Covers: |
|--|---------------------|----------------------|
| Hospital visit for a dental problem | Not covered | Covered |
| Prescription drugs for a dental visit or problem | Not covered | Covered |
| Transportation to your dental service or appointment | Not covered | Covered |

If the Dental Plan does not cover dental services you need, contact your Care Coordinator. We can cover additional dental services for you. These need to be approved before you get the additional dental services.

Contact your Care Coordinator for help with arranging these services.

What Do I Have To Pay For?

You may have to pay for appointments or services that are not covered. A covered service is a service we must provide in the Medicaid program. All the services listed in this handbook are covered services. Remember, just because a service is covered, does not mean you will need it. You may have to pay for services if we did not approve it first.

If you get a bill from a provider, call Member Services. Do not pay the bill until you have spoken to us. We will help you.

Services for Children²

We must provide all medically necessary services for our members who are ages 18 – 20 years old. This is the law. This is true even if we do not cover a service or the service has a limit. As long as services are medically necessary, services have:

- No dollar limits: or
- No time limits, like hourly or daily limits

Your provider may need to ask us for approval before giving you the service. Call Member Services if you want to know how to ask for these services.

Services Covered by the Medicaid Fee-for-service Delivery System, Not Covered Through Florida Community Care

² Also known as "Early and Periodic Screening, Diagnosis, and Treatment" or "EPSDT" requirements.

The Medicaid fee-for-service program is responsible for covering the following services, instead of Florida Community Care covering these services:

Behavior Analysis (BA) services for children under the age of 21

County Health Department (CHD) Certified Match Program

Familial Dysautonomia (FD) Home and Community-Based Services Waiver (You cannot be in FD Waiver and Florida Community Care at the same time)

Hemophilia Factor-related Drugs

Intermediate Care Facility Services for Individuals with Intellectual Disabilities (ICF/IID)

Medicaid Certified School Match (MCSM) Program

Model Home and Community-Based Services Waiver (You cannot be in Model

Waiver and Florida Community Care at the same time)

Prescribed Pediatric Extended Care

Substance Abuse County Match Program

This Agency webpage provides details about each of the services listed above and how to access these services:

http://ahca.myflorida.com/Medicaid/Policy_and_Quality/Policy/Covered_Services_HCB S_Waivers.shtml.

Moral or Religious Objections

If we do not cover a service because of a religious or moral reason, we will tell you that the service is not covered. In these cases, you must call the State's Enrollment Broker at 1-877-711-3662 (TDD 1-866-467-4970). The Enrollment Broker will help you find a provider for these services.

Section 11: Helpful Information About Your Benefits

Choosing a Primary Care Provider (PCP)

If you have Medicare, please contact the number on your Medicare ID card for information about your PCP.

One of the first things you will need to do when you enroll in our plan is choose a PCP. This can be a doctor, nurse practitioner, or a physician assistant. You will contact your PCP to make an appointment for services such as regular check-ups, shots (immunizations), or when you are sick. Your PCP will also help you get care from other

providers or specialists. This is called a **referral**. You can choose your PCP by calling Member Services.

If you do not choose a PCP, we will assign a PCP for you.

You can change your PCP at any time. To change your PCP, call Member Services.

Specialist Care and Referrals

Sometimes, you may need to see a provider other than your PCP for medical problems like special conditions, injuries, or illnesses. Talk to your PCP first. Your PCP will refer you to a **specialist**. A specialist is a provider who works in one health care area.

Make sure you tell your Care Coordinator about your **referrals**. The Care Coordinator will work with the specialist to get you care.

Second Opinions

You have the right to get a **second opinion** about your care. This means talking to a different provider to see what they have to say about your care. The second provider will give you their point of view. This may help you decide if certain services or treatments are best for you. There is no cost to you to get a second opinion.

Your PCP, Care Coordinator or Member Services can help find a provider to give you a second opinion. You can pick any of our providers. If you are unable to find a provider with us, we will help you find a provider that is not in our provider network. If you need to see a provider that is not in our provider network for the second opinion, we must approve it before you see them.

Urgent Care

Urgent Care is not Emergency Care. Urgent Care is needed when you have an injury or illness that must be treated within 48 hours. Your health or life are not usually in danger, but you cannot wait to see your PCP or it is after your PCP's office has closed.

If you need Urgent Care after office hours and you cannot reach your PCP, please call your Care Coordinator directly or Member Services at 1-833-FCC-PLAN.

You may also find the closest Urgent Care center to you by checking the Florida Community Care online directory at www.fcchealthplan.com.

Hospital Care

If you need to go to the hospital for an appointment, surgery or overnight stay, your PCP will set it up. We must approve services in the hospital before you go, except for

emergencies. We will not pay for hospital services unless we approve them ahead of time or it is an emergency.

Your Care Coordinator will work with you and your provider to put services in place when you go home from the hospital.

Emergency Care

You have a medical **emergency** when you are so sick or hurt that your life or health is in danger if you do not get medical help right away. Some examples are:

- Broken bones
- Bleeding that will not stop
- You are pregnant, in labor and/or bleeding
- Trouble breathing
- Suddenly unable to see, move, or talk

Emergency services are those services that you get when you are very ill or injured. These services try to keep you alive or to keep you from getting worse. They are usually delivered in an emergency room.

If your condition is severe, call 911 or go to the closest emergency facility right away. You can go to any hospital or emergency facility. If you are not sure if it is an emergency, call your PCP. Your PCP will tell you what to do.

The hospital or facility does not need to be part of our provider network or in our service area. You also do not need to get approval ahead of time to get emergency care or for the services that you receive in an emergency room to treat your condition.

If you have an emergency when you are away from home, get the medical care you need. Be sure to call Member Services when you are able and let us know.

Filling Prescriptions

We cover a full range of prescription medications. We have a list of drugs that we cover. This list is called our **Preferred Drug List**. You can find this list on our website at www.fcchealthplan.com or by calling Member Services.

We cover **brand name** and **generic** drugs. Generic drugs have the same ingredients as brand name drugs, but they are often cheaper than brand name drugs. They work the same. Sometimes, we may need to approve using a brand name drug before your prescription is filled.

We have pharmacies in our provider network. You can fill your prescription at any pharmacy that is in our provider network. Make sure to bring your Plan ID card with you to the pharmacy.

The list of covered drugs may change from time to time, but we will let you know if anything changes.

Specialty Pharmacy Information

We cover brand name and generic drugs. Generic drugs have the same ingredients as brand name drugs, but they are often cheaper than brand name drugs. They work the same. Sometimes, we may need to approve using a brand name drug before your prescription is filled. You can fill your prescription at any network pharmacy that is in our provider network. The pharmacy will arrange to have refills delivered to your place of residence or a CVS pharmacy that you specify. Make sure to bring your Plan ID card with you to the pharmacy.

The list of covered drugs may change from time to time, but we will let you know if anything changes.

Behavioral Health Services

There are times when you may need to speak to a therapist or counselor, for example, if you are having any of the following feelings or problems:

- Always feeling sad
- Not wanting to do the things that you used to enjoy
- Feeling worthless
- Having trouble sleeping
- Not feeling like eating
- Alcohol or drug abuse
- Trouble in your marriage
- Parenting concerns

We cover many different types of behavioral health services that can help with issues you may be facing. You can call a behavioral health provider for an appointment. You can get help finding a behavioral health provider by:

- Calling Florida Community Care at 1-833-FCC-PLAN
- Looking at our provider directory
- Going to our website at <u>www.fcchealthplan.com</u>

FCC has a Crisis Hotline available, someone is there to help you 24 hours a day, 7 days a week. You can reach the Crisis Hotline by dialing 1-833-FCC-PLAN and selecting option 9.

You do not need a referral from your PCP for behavioral health services.

If you are thinking about hurting yourself or someone else, call 911. You can also go to the nearest emergency room or crisis stabilization center, even if it is out of our

service area. Once you are in a safe place, call your PCP if you can. Follow up with your provider within 24-48 hours. If you get emergency care outside of the service area, we will make plans to transfer you to a hospital or provider that is in our plan's network once you are stable.

Member Reward Programs

We offer programs to help keep you healthy and to help you live a healthier life (like losing weight or quitting smoking). We call these **healthy behavior programs**. You can earn rewards while participating in these programs. Our plan offers the following programs:

Disease Management Programs

We have special programs available that will help you if you have one of these conditions.

Cancer

Cancer is a disease in which cells grow and divide with little or no control. There are many types of cancer, they normally are called by the organ or cell where the cancer begins. If you have cancer, we can help you based on your needs.

If you have cancer or are in remission, this program helps to bring together you and your family and caregivers. It helps you deal with frustration, fatigue, pain, isolation, poor sleep, and living with the unknown.

The FCC staff will work closely with your doctors to help you manage the disease and its symptoms.

Contact your Care Coordinator at 1-833-FCC-PLAN for more information.

Diabetes

Diabetes is a chronic disease where your body does not make enough insulin or the insulin in your body does not work the way it is supposed to work. This will cause high levels of sugar in your blood. Diabetes worsens with age and with other health conditions that may be present.

Florida Community Care's Diabetes Program has a team of staff that know how to help people with diabetes.

This includes:

- Education that may help you manage your diabetes and other things to look for
- Review your medicines with your doctors
- Teaching you how important it is to check your blood sugar levels and how to keep track
 of them
- Support for you and your caregivers
- Diet education and possible referral to a registered dietitian

Contact your Care Coordinator at 1-833-FCC-PLAN for more information.

Asthma

Asthma is a disease that causes the inside of the airways to get swollen. It will also make muscles to get tight. This causes you to get short of breath. It can make you feel weaker. Asthma is a disease that cannot be cured but it can be managed. This will help you to keep your asthma from getting worse.

COPD can also be known as chronic bronchitis and/or emphysema. When your airways get swollen it is called Bronchitis. When the air sacs in the lungs are damaged it is called Emphysema Both can cause shortness of breath.

These can be a problem for you in doing your normal activities. It puts more stress on you or those that take care of you.

We will help you and your family learn more about these diseases. We will work closely with your doctors to manage the disease. This will include the following:

- Education on how to prevent asthma attacks
- Review medicines you are taking at home
- Review medicines with your doctors
- Help to identify the causes of the asthma attack
- Education on how to manage the disease. This is one of the most important points since you and/or your caregiver will learn to manage your disease on a day to day basis.
- Our staff will help provide you with support for you and for your caregiver Taking care of stress will help you from getting worse.

With your approval, Florida Community Care staff will refer you to the staff that can help you in managing your Asthma/ COPD.

Contact your Care Coordinator at 1-833-FCC-PLAN for more information.

High blood pressure (hypertension)

Hypertension or high blood pressure is when the force of your blood through your arteries is always high. This can cause damage to the walls of the arteries, and this can cause other problems. This high force, if always constant, will cause the heart and lungs to work harder than normal. This can cause damage to the heart and lungs.

It is important to lower the force so that the heart and lungs do not work so hard. This can be done by medicine, diet, exercise, less stress, and/or losing weight.

FCC will give you information for your needs. We will work closely with your doctors to help you manage your high blood pressure. This will include the following:

- Education on how to manage your high blood pressure
- Review medicines you are taking at home
- Review medicines with your doctors
- Teaching you about how important it is to check your blood pressure and to keep track
 of it
- Teaching you about what to eat and not to eat
- Referral, if you need one, to a registered dietician
- We will help provide support to you and your caregivers. Managing stress will help you control your blood pressure.

Florida Community Care staff with the approval of you and/or your caregiver will refer you to the staff you need to get the help you need.

Contact your Care Coordinator at 1-833-FCC-PLAN for more information.

Behavioral Health

We offer behavioral health program services through a team of staff who know how to help you with your needs.

We can help you stay out of the hospital. We can help you get services you need in the community. Some of these services may include education for your caregivers. We will talk to you and your caregivers to find out what you know about your condition. We can give you information to help you manage your condition.

You may have issues with stress, depression, anxiety, problems with others, addiction, mood swings, and other issues. Our staff, with behavioral health expertise, will be working together with you and your family to create a plan of care that is right for you. We will work closely with you and your family to find the right provider for you. We have special programs such as for substance abuse and opioid addiction. The FCC staff can talk to you about these programs.

FCC staff will work closely with your doctors. This will include the following:

- Review medicines you are taking at home
- Review medicines with your doctors
- Give you education on symptoms to report and how to control them
- Help you develop a crisis safety plan
- Our staff will help with emotional support to you and your caregivers. Managing stress will help you.

Florida Community Care staff with your approval and/or your caregiver will refer you to our Behavioral Health programs that will meet your needs.

Contact your Care Coordinator at 1-833-FCC-PLAN for more information.

End of life issues including information on advance directives

We can help you make decisions about your health care. We will give you information about a living will and other documents to help you chose who you want to make decisions for you if you are unable to because you are sick. Contact your Care Coordinator at 1-833- FCC-PLAN for more information.

We also offer programs for Dementia and Alzheimer's issues

Dementia is loss of mental function that will affect your everyday tasks. It affects memory, and ability to communicate. It is normal for someone to forget where they put their keys.

But, some people with dementia will forget what keys are used for. Dementia can be the cause of some diseases - the most common is Alzheimer's Disease.

Alzheimer's disease is a disease that gets worse with time. Alzheimer's will affect your memory, language, and thought. The exact cause is still not known and there is no cure available now.

It can be difficult for the family and caregivers who take care of those with dementia and/or Alzheimer's. Our Alzheimer's Program helps caregivers to develop plans of care just for the enrollee with dementia. It will include tasks and activities that create a good day for the enrollee with things they like to do. Family and caregivers will receive education and training from our staff. Special activities will include puzzles created for people with dementia that match their current levels and are just right for them.

We will work closely with your doctors to manage the dementia/Alzheimer's. This will include the following:

- Review medicines you are taking at home
- Reviewing them with your doctors
- Education on how to manage the disease
- Caregiver Support

Florida Community Care staff working with the caregiver and the enrollee will refer to the specialized staff that will help in managing dementia/Alzheimer's.

Contact your Care Coordinator at 1-833-FCC-PLAN for more information.

Quality Enhancement Programs

We want you to get quality health care. We offer additional programs that help make the care you receive better. The programs are:

Falls Prevention Program

We know many times a visit to the emergency room is because of a fall. We provide special help to prevent falling. This may include any safety issues at home. Your Care Coordinator will talk with you about reasons why. The Care Coordinator will work with you on ways to prevent a fall. Contact your Care Coordinator at 1-833-FCC-PLAN for more information.

Domestic Violence

If you are afraid of someone in your house, please tell your Care Coordinator. We can help you based on information you give us. We can help you get services that you need to keep you safe and stop you from being afraid. Contact your Care Coordinator at 1-833-FCC-PLAN for more information.

Pregnancy Prevention

If you want to keep from getting pregnant, please tell you Care Coordinator. We can help you learn more about how to prevent pregnancies. We can give you information about programs that might be right for you. If you would like to know more about how to prevent pregnancies, please contact your Care Coordinator at 1-833-FCC-PLAN for more information.

Pregnancy-Related Programs

If you are pregnant or have just given birth, there may be programs helpful to you. We can refer you to those programs. Your Care Coordinator will learn more about your situation when they contact you to see how you are doing. If it will help, we can schedule regular home visits by a home health nurse or aide. Contact your Care Coordinator at 1-833-FCCPLAN for more information.

Healthy Start Services

If you are pregnant there are programs that will help you to be sure that you have a healthy baby. Your Care Coordinator can learn more about what you may need when

they talk with you. We can help you connect with the Healthy Start program in your area. This will help you to make sure you have just the right care so that you and your baby stay healthy. Contact your Care Coordinator at 1-833-FCC-PLAN for more information.

Nutritional Assessment/Counseling

If you are pregnant, we can help you with your nutritional needs. We will make sure that you get the information you need based on what you tell your Care Coordinator. We can help you get services such as with the Women, Infants and Children Nutrition Program (WIC), with Healthy Start or other social services. Contact your Care Coordinator at 1-833-FCCPLAN for more information.

Housing Assistance

We can help you if you are homeless. We can also help you if you are at risk of losing housing, or in the criminal justice system. We will ask questions to help understand any other problems you may be facing. We can connect you to community resources available to you. Contact your Care Coordinator at 1-833-FCC-PLAN for more information.

You also have a right to tell us about changes you think we should make.

To get more information about our quality enhancement program or to give us your ideas, call Member Services.

Section 12: Your Plan Benefits: Intellectual and Developmental Disabilities Plan Services

The table below lists the medical services that are covered by our plan. Remember, you may need a referral from your PCP or approval from us before you go to an appointment or use a service. Services must be medically necessary for us to pay for them³.

There may be some services we do not cover but might still be covered by Medicaid. To find out about these benefits, call the Agency Medicaid Help Line at 1-877-254-1055. If

³ You can find the definition for Medical Necessity at http://ahca.myflorida.com/medicaid/review/General/59G_1010_Definitions.pdf

you need a ride to any of these services, we can help you. You can call 1-833-FCC-PLAN and Member Services will help you schedule a ride.

If there are changes in covered services or other changes that will affect you, we will notify you in writing at least 30 days before the date the change takes place.

If you have questions about any of the covered medical services, please call your Care Coordinator.

Section 13: Intellectual and Developmental Disabilities Plan Services: Helpful Information

Starting Services

It is important that we learn about you so we can make sure you get the care that you need. Your Care Coordinator will set up a time to come to your place of residence to meet you.

At this first visit, your Care Coordinator will tell you about the program and our plan. She or he will also ask you questions about:

- Your health:
- How you take care of yourself;
- How you spend your time;
- Who helps takes care of you; and
- Other things.

These questions make up your **initial assessment**. The initial assessment helps us learn about what you need to live safely in your home. It also helps us decide what services will help you the most.

Developing a Support Plan

Before you can begin to get services, you must have a **person-centered support plan** (**support plan**). Your Care Coordinator makes your support plan with you. Your support plan is the document that tells you all about the services you get from our plan. Your Care Coordinator will talk to you and any family members or caregivers you want to include to decide what services will help. They will use the initial assessment and other information to make a plan that is just for you. Your support plan will tell you:

- What services you are getting
- Who is providing your service (your service providers)
- How often you get a service
- When a service starts and when it ends (if it has an end date)
- What your services are trying to help you do. For example, if you need help doing light
 housekeeping tasks around your house, your support plan will tell you that an adult
 companion care provider comes 2 days a week to help with your light housekeeping
 tasks.
- How your services work with other services you get from outside our plan, such as from Medicare, your church or other federal programs
- Your personal goals

We don't just want to make sure that you are living safely. We also want to make sure that you are happy and feel connected to your community and other people. When your Care Coordinator is making your support plan, they will ask you about any **personal goals** you might have. These can be anything, really, but we want to make sure that your services help you accomplish your goals. Some examples of personal goals include:

- Walking for 10 minutes every day
- Calling a loved one once a week
- Going to the community center once a week
- Moving from a group home to independent housing

You or your **authorized representative** (someone you trust who is allowed to talk to us about your care) must sign your support plan. This is how you show you agree with the **services** on **your support plan**.

Your Care Coordinator will send your PCP a copy of your support plan. Your Care Coordinator will also share it with your other health care or home and community-based services providers.

Updating your Support plan

Every month your Care Coordinator will visit you in person to see how your services are going and how you are doing. If any changes are made, she or he will update your support plan and get you a new copy.

Your Care Coordinator will come to see you in person to review your support plan every 90 days (or about 3 months). This is a good time to talk to them about your services, what is working and isn't working for you, and how your goals are going. They will update your support plan with any changes. Every time your support plan changes, you or your authorized representative must sign it.

Remember, you can call your Care Coordinator any time to talk about problems you have, changes in your life, or other things. Your Care Coordinator or a health plan representative is available to you when you need them.

Your Back-Up Plan

Your Care Coordinator will help you make a **back-up plan**. A back-up plan tells you what to do if a service provider does not show up to give a service. For example, your home health aide did not come to give you a bath.

Remember, if you have any problems getting your services, call your Care Coordinator.

Section 14: Your Plan Benefits: Intellectual and Developmental Disabilities Plan Services

The table below lists the services covered by our plan. Remember, services must be medically necessary in order for us to pay for them⁴.

If there are changes in covered services or other changes that will affect you, we will notify you in writing at least 30 days before the effective date of the change.

If you have any questions about any of the covered services, please call your Care Coordinator.

Fast Plan Appeal

If we deny your request for a fast appeal, we will transfer your appeal into the regular appeal time frame of 30 days. If you disagree with our decision not to give you a fast appeal, you can call us to file a grievance.

Medicaid Fair Hearings

You may ask for a fair hearing at any time up to 120 days after you get a Notice of Plan Appeal Resolution by calling or writing to:

Agency for Health Care Administration

Medicaid Fair Hearing Unit
P.O. Box 60127
Ft. Myers, FL 33906
1-877-254-1055 (toll-free)
1-239-338-2642 (fax)
MedicaidFairHearingUnit@ahca.myflorida.com

If you request a fair hearing in writing, please include the following information:

- Your name
- Your member number
- Your Medicaid ID number
- A phone number where you or your representative can be reached

You may also include the following information, if you have it:

- Why you think the decision should be changed
- The service(s) you think you need
- Any medical information to support the request
- Who you would like to help with your fair hearing

After getting your fair hearing request, the Agency will tell you in writing that they got your fair hearing request. A hearing officer who works for the State will review the decision we made.

Continuation of Benefits for Members

If you are now getting a service that is going to be reduced, suspended, or terminated, you have the right to keep getting those services until a final decision is made for your **Plan appeal or Medicaid fair hearing**. If your services are continued, there will be no change in your services until a final decision is made.

If your services are continued, and our decision is not in your favor, we may ask you to pay for the cost of those services. We will not take away your Medicaid benefits. We cannot ask your family or legal representative to pay for the services.

To have your services continue during your appeal or fair hearing, you must file your appeal and ask to continue services within this timeframe, whichever is later:

- 10 days after you receive a Notice of Adverse Benefits Determination (NABD), or
- On or before the first day that your services will be reduced, suspended or terminated

Section 16: Your Member Rights

As a recipient of Medicaid and a member in a plan, you also have certain rights. You have the right to:

- Be treated with courtesy and respect
- Always have your dignity and privacy considered and respected
- Receive a quick and useful response to your questions and requests
- Know who is providing medical services and who is responsible for your care
- Know what member services are available, including whether an interpreter is available
 if you do not speak English
- Know what rules and laws apply to your conduct
- Be given easy to follow information about your diagnosis, and openly discuss the treatment you need, choices of treatments and alternatives, risks, and how these treatments will help you
- Participate in making choices with your provider about your health care, including the right to say no to any treatment, except as otherwise provided by law
- Be given full information about other ways to help pay for your health care
- Know if the provider or facility accepts the Medicare assignment rate
- To be told prior to getting a service how much it may cost you
- Get a copy of a bill and have the charges explained to you
- Get medical treatment or special help for people with disabilities, regardless of race, national origin, religion, handicap, or source of payment
- Receive treatment for any health emergency that will get worse if you do not get treatment
- Know if medical treatment is for experimental research and to say yes or no to participating in such research
- Make a complaint when your rights are not respected
- Ask for another doctor when you do not agree with your doctor (second medical opinion)
- Get a copy of your medical record and ask to have information added or corrected in your record, if needed
- Have your medical records kept private and shared only when required by law or with your approval
- Decide how you want medical decisions made if you can't make them yourself (advanced directive)
- To file a grievance about any matter other than a plan's decision about your services.
- To appeal a plan's decision about your services
- Receive services from a provider that is not part of our plan (out-of-network) if we cannot find a provider for you that is part of our plan
- Speak freely about your health care and concerns without any bad results
- Freely exercise your rights without the plan or its network providers treating you badly

- Get care without fear of any form of restraint or seclusion being used as a means of coercion, discipline, convenience, or retaliation
- Request and receive a copy of your medical records and ask that they be amended or corrected

Members have the right to:

- Be free from any form of restraint or seclusion used as a means of coercion, discipline, convenience, or retaliation
- Receive services in a home-like environment regardless where you live
- Receive information about being involved in your community, setting personal goals and how you can participate in that process
- Be told where, when and how to get the services you need
- To be able to take part in decisions about your health care
- To talk openly about the treatment options for your conditions, regardless of cost or benefit
- To choose the programs you participate in and the providers that give you care

Section 17: Your Member Responsibilities

As a recipient of Medicaid and a member in a plan, you also have certain responsibilities. You have the responsibility to:

- Give accurate information about your health to your plan and providers
- Tell your provider about unexpected changes in your health condition
- Talk to your provider to make sure you understand a course of action and what is expected of you
- Listen to your provider, follow instructions for care, and ask questions
- Keep your appointments, and notify your provider if you will not be able to keep an appointment
- Be responsible for your actions if treatment is refused or if you do not follow the health care provider's instructions
- Make sure payment is made for non-covered services you receive
- Follow health care facility conduct rules and regulations
- Treat health care staff and Care Coordinator with respect
- Tell us if you have problems with any health care staff
- Use the emergency room only for real emergencies
- Notify your Care Coordinator if you have a change in information (address, phone number, etc.)
- Have a plan for emergencies and access this plan if necessary for your safety

· Report fraud, abuse and overpayment

Members have the responsibility to:

- Tell your Care Coordinator if you want to disenroll from the plan
- Agree to and participate in the annual face-to-face assessment and monthly face-to-face visits with your Care Coordinator

Section 18: Other Important Information

Indian Health Care Provider (IHCP) Protection

Indians are exempt from all cost sharing for services furnished or received by an IHCP or referral under contract health services.

Emergency Disaster Plan

Disasters can happen at any time. To protect yourself and your family, it is important to be prepared. There are three steps to preparing for a disaster: 1) Be informed; 2) Make a Plan; and 3) Get a Kit. For help with your emergency disaster plan, call Member Services or your Care Coordinator. The Florida Division of Emergency Management can also help you with your plan. You can call them at 1-850-413-9969 or visit their website at www.floridadisaster.org.

Your Care Coordinator will assist you in creating a disaster plan. Your Care Coordinator can also help you register for a special needs registry. Your Care Coordinator should contact you about your disaster plan to make sure it stays up to date.

Tips on How to Prevent Medicaid Fraud and Abuse:

- DO NOT share personal information, including your Medicaid number, with anyone other than your trusted providers.
- Be cautious of anyone offering you money, free or low-cost medical services, or gifts in exchange for your Medicaid information.
- Be careful with door-to-door visits or calls you did not ask for.
- Be careful with links included in texts or emails you did not ask for, or on social media platforms.

Fraud/Abuse/Overpayment in the Medicaid Program

To report suspected fraud and/or abuse in Florida Medicaid, call the Consumer Complaint Hotline toll-free at 1-888-419-3456 or complete a Medicaid Fraud and Abuse

Complaint Form, which is available online at: https://apps.ahca.myflorida.com/mpi-complaintform/

You can also report fraud and abuse to us directly by using the following methods:

- Hotline: 1 (866) 409-8031. The Hotline is a telephone line and voice mailbox that can be used 24 hours a day, 7 days a week. This number is confidential and has no caller ID. Please give as much information as possible. Please include the first and last names of anyone involved. This could include employees, providers, and subcontractors involved.
- In Writing: A report may be made in writing by filling out the Compliance Referral Form. It
 is located on our website at www.fcchealthplan.com. The Compliance Referral Form
 may be mailed or faxed.

Florida Community Care Attn: Compliance Department 4601 NW 77th Avenue Miami, FL 33166 Fax: 1-305-675-5934

• E-mail: A report may be made by sending an email to Florida Community Care. Compliance@fcchealthplan.com

Abuse/Neglect/Exploitation of People

You should never be treated badly. It is never okay for someone to hit you or make you feel afraid. You can talk to your PCP or Care Coordinator about your feelings.

If you feel that you are being mistreated or neglected, you can call the Abuse Hotline at 1-800-96-ABUSE (1-800-962-2873) or for TTY/TDD at 1-800-955-8771.

You can also call the hotline if you know of someone else that is being mistreated.

Domestic Violence is also abuse. Here are some safety tips:

- If you are hurt, call your PCP
- If you need emergency care, call 911 or go to the nearest hospital. For more information, see the section called EMERGENCY CARE
- Have a plan to get to a safe place (a friend's or relative's home)
- Pack a small bag, give it to a friend to keep for you

If you have questions or need help, please call the National Domestic Violence Hotline toll free at 1-800-799-7233 (TTY 1-800-787-3224).

Advance Directives

An **advance directive** is a written or spoken statement about how you want medical decisions made if you can't make them yourself. Some people make advance

directives when they get very sick or are at the end of their lives. Other people make advance directives when they are healthy. You can change your mind and these documents at any time. We can help you get and understand these documents. They do not change your right to quality health care benefits. The only purpose is to let others know what you want if you can't speak for yourself.

- 1. A Living Will
- 2. Health Care Surrogate Designation
- 3. An Anatomical (organ or tissue) Donation

You can download an advanced directive form from this website: https://quality.healthfinder.fl.gov/report-guides/advance-directives/

Make sure that someone, like your PCP, lawyer, family member, or Care Coordinator knows that you have an advance directive and where it is located.

If there are any changes in the law about advance directives, we will let you know within 90 days. You don't have to have an advance directive if you do not want one.

If your provider is not following your advance directive, you can file a complaint with Member Services at 1-833-FCC-PLAN or the Agency by calling 1-888-419-3456.

Getting More Information

You have a right to ask for information. Call Member Services or talk to your Care Coordinator about what kinds of information you can receive for free. Some examples are:

- Your member record
- A description of how we operate
- Florida Community Care's HEDIS Results, as available
- Member educational materials
- Hard-copy member handbook
- Hard-copy provider directory
- The criteria used in making any adverse benefit determinations

Florida Health Finder

The Agency is committed to its mission of providing "Better Health Care for All Floridians". The Agency has created a website https://quality.healthfinder.fl.gov where you can view information about Florida home health agencies, nursing facilities, assisted living facilities, ambulatory surgery centers and hospitals. You can find the following types of information on the website:

Up-to-date licensure information

- Inspection reports
- Legal actions
- Health outcomes
- Pricing
- Performance measures
- Consumer education brochures
- Living wills
- Quality performance ratings, including member satisfaction survey results

The Agency collects information from all plans on different performance measures about the quality of care provided by the plans. The measures allow the public to understand how well plans meet the needs of their members. To see the plan report cards, please visit https://quality.healthfinder.fl.gov/Facility-Provider/Health-Plans?&type=Medicare-QOC. You may choose to view the information by each plan or all plans at once.

Elder Housing Unit

The Elder Housing Unit provides information and technical assistance to elders and community leaders about affordable housing and assisted living choices. The Florida Department of Elder Affairs maintains a website for information about assisted living facilities, adult family care homes, adult day care centers and nursing facilities at https://elderaffairs.org/programs-services/housing-options/ as well as links to additional Federal and State resources.

Aging and Disability Resource Center

You can also find additional information and assistance on State and federal benefits, local programs and services, legal and crime prevention services, income planning or educational opportunities by contacting the Aging and Disability Resource Center.

Independent Consumer Support Program

The Florida Department of Elder Affairs also offers an Independent Consumer Support Program (ICSP). The ICSP works with the Statewide Long-Term Care Ombudsman Program, the ADRC, and the Agency to ensure that LTC members have many ways to get information and help when needed. For more information, please call the Elder Helpline at 1-800-96-ELDER (1-800-963-5337) or visit https://elderaffairs.org/programs-services/statewide-medicaid-managed-care-long-term-care-program/.

LIVING WILLS AND HEALTH CARE ADVANCE DIRECTIVES: FAQs

The Florida Legislature has recognized that every competent adult has the fundamental right of self? determination regarding decisions pertaining to his or her own health, including the right to choose or refuse medical treatment or procedures which would only prolong life when a terminal condition exists. This right, however, is subject to certain interests of society, such as the protection of human life and the preservation of ethical standards in the medical profession. To ensure that this right is not lost or diminished by virtue of later physical or mental incapacity, the Legislature has established a procedure within Florida Statutes Chapter 765 allowing a person to plan for incapacity, and if desired, to designate another person to act on his or her behalf and make necessary medical decisions upon such incapacity.

What is a Living Will?

Every competent adult has the right to make a written declaration commonly known as a "Living Will." The purpose of this document is to direct the provision, the withholding or withdrawal of life prolonging procedures in the event one should have a terminal condition. The suggested form of this instrument has been provided by the Legislature within Florida Statutes Section 765.303. In Florida, the definition of "life prolonging procedures" has been expanded by the Legislature to include the provision of food and water to terminally ill patients.

What is the difference between a Living Will and a legal will?

A Living Will should not be confused with a person's legal will, which disposes of personal property on or after his or her death and appoints a personal representative or revokes or revises another will.

How do I make my Living Will effective?

Under Florida law, a Living Will must be signed by its maker in the presence of two witnesses, at least one of whom is neither the spouse nor a blood relative of the maker. If the maker is physically unable to sign the Living Will, one of the witnesses can sign in the presence and at the direction of the maker. Florida will recognize a Living Will, which has been signed in another state, if that Living Will was signed in compliance with the laws of that state, or in compliance with the laws of Florida.

After I sign a Living Will, what is next?

Once a Living Will has been signed, it is the maker's responsibility to provide notification to the physician of its existence. It is a good idea to provide a copy of the Living Will to the maker's physician and hospital, to be placed within the medical records.

What is a Health Care Surrogate?

Any competent adult may also designate authority to a Health Care Surrogate to make all health care decisions during any period of incapacity. During the maker's incapacity, the Health Care Surrogate has the duty to consult expeditiously, with appropriate health care providers. The Surrogate also provides informed consent and makes only health care decisions for the maker, which he or she believes the maker would have made under the circumstances if the maker were capable of making such decisions. If there is no indication of what the maker would have chosen, the Surrogate may consider the maker's best interest in deciding on a course of treatment. The suggested form of this instrument has been provided by the Legislature within Florida Statutes Section 765.203.

How do I designate a Health Care Surrogate?

Under Florida law, designation of a Health Care Surrogate should be made through a written document and should be signed in the presence of two witnesses, at least one of whom is neither the spouse nor a blood relative of the maker. The person designated as Surrogate cannot act as a witness to the signing of the document.

Can I have more than one Health Care Surrogate?

The maker can also explicitly designate an Alternate Surrogate. The Alternate Surrogate may assume the duties as Surrogate if the original Surrogate is unwilling or unable to perform his or her duties. If the maker is physically unable to sign the designation, he or she may, in the presence of witnesses, direct that another person sign the document. An exact copy of the designation must be provided to the Health Care Surrogate. Unless the designation states a time of termination, the designation will remain in effect until revoked by its maker.

Can the Living Will and the Health Care Surrogate designation be revoked?

Both the Living Will and the Designation of Health Care Surrogate may be revoked by the maker at any time by a signed and dated letter of revocation; by physically canceling or destroying the original document; by an oral expression of one's intent to revoke; or by means of a later executed document which is materially different from the former document. It is very important to tell the attending physician that the Living Will and Designation of Health Care Surrogate has been revoked.

Where can I go to obtain legal advice on this issue?

If you believe you need legal advice, call your attorney. If you do not have an attorney, call The Florida Bar Lawyer Referral Service at 1-800-342-8011, or the local lawyer referral service or legal aid office listed in the yellow pages of your telephone book.

| LIVING WILL |
|---|
| Declaration made this _day of, (20), I, willfully and voluntarily make known my desire that my dying not be artificially prolonged under the circumstances set forth below, and I do hereby declare that, if at any time I am incapacitated and: |
| (initial) I have a terminal condition, or |
| (initial) I have an end stage condition, or |
| (initial) I am in a persistent vegetative state, and if my primary physician and another consulting physician have determined that there is no reasonable medical probability of my recovery from such a condition, I direct that life-prolonging procedures be withheld or withdrawn when the application of such procedures would serve only to prolong artificially the process of dying, and that I be permitted to die naturally with only the administration of medication or the performance of any medical procedure deemed necessary to provide me with comfort care or to alleviate pain. |
| It is my intention that this declaration be honored by my family and physician as the final expression of my legal right to refuse medical or surgical treatment and to accept the consequences for such refusal. |
| In the event that I have been determined to be unable to provide express and informed consent regarding the withholding, withdrawal, or continuation of life-prolonging procedures, I wish to designate, as my surrogate to carry out the provisions of this declaration: |
