

## Florida Community Care (FCC)

### Provider Quick Reference Guide: Notification of Pregnancy (NOP) & Incentive Program

---

#### Why Early Notification Matters

Early identification of pregnancy helps FCC connect members with prenatal care faster, reduce preventable complications, and support healthier births.

FCC offers incentive payments to providers to support timely, high-quality maternal care.

---

#### 1. Notification of Pregnancy (NOP)

**Submit Within 30 Days = Earn \$20**

##### What You Need to Do

Submit the NOP **within 30 days of the member's first prenatal visit.**

##### How to Submit

Providers may use whichever option fits their workflow: [Florida Medicaid Pregnancy Notification Form](#)

- **FCC Provider Portal** (digital NOP form)
- **Dedicated NOP eFax**
- **NOP Submission Email:** [fccobteam@fcchealthplan.com](mailto:fccobteam@fcchealthplan.com)

##### What FCC Does

FCC validates the NOP through Care Management and pays the **\$20 incentive** through eClaims automatically upon confirmation.

---

#### 2. Provider Reward Incentives

FCC offers additional incentives for services that improve maternal and postpartum outcomes.

##### Eligible Services & Incentive Amounts

- **\$20** — *Healthy Start Screening & Referral*
- **\$20** — *SBIRT Screening* (e.g., CPT 99408, 99409, G0396, G0397, H0049, H0050)
- **\$20** — *Postpartum Depression Screening* (e.g., 96127, 96160, 96161, G8431, G8510)
- **\$30** — *Family Planning Counseling & LARC Services* within 45 days postpartum

### How Incentives Are Paid

These incentives are identified automatically through claims and processed via **eClaims**. No separate authorization required.

---

### 3. Key Benefits to Your Practice

- Fast, easy incentive payments
  - No additional documentation beyond your normal workflow
  - Supports continuity of care
  - Helps members receive timely prenatal and postpartum support
  - Reinforces high-quality maternal health outcomes
- 

### 4. Who Should Submit the NOP?

Most practices assign this to:

- Prenatal intake staff
- Front-office schedulers
- MAs or nurses conducting first prenatal screenings
- OB case management or care coordination teams

FCC recommends assigning responsibilities clearly to avoid missed incentives.
